

TRAVELLERS AUTOBARN JAPAN Rental Terms & Conditions

Valid from the 1st December 2022 and supersedes all other provisions, warranties, terms and conditions.

This Agreement is made on the date specified on the Rental Agreement between Travellers Autobarn and the renter to rent the Vehicle whose name and address appears on the Rental Agreement. Travellers Autobarn and the renter agree as follows:

You are obliged to read this document thoroughly and ask for clarification of any points you do not understand.

1 Definitions

"Agreement" means the Rental Agreement and these Terms and Conditions.

"Hire" also means **"Renter"** and means the person or persons nominated as the renter, all authorized drivers and any person whose credit card is presented for payment or who is otherwise responsible for any payment associated with the rental and/or the security bond.

"Travellers Autobarn" means Roots Company trading under license as Travellers Autobarn. **"Vehicle"** means the vehicle identified in the Rental Agreement as well as any replacement vehicle and includes all equipment, accessories, tires, tools or any additional hire items.

"We" means Travellers Autobarn and **"our"** has a corresponding meaning.

"You" means the renter under this Agreement and **"your"** has a corresponding meaning.

2 Vehicle Condition, Pick-up and Drop-off

2.1 The Vehicle is delivered to you in good operating condition. Subject to your rights under this Agreement, you agree to return the Vehicle in the same condition (except for ordinary wear and tear, not including windscreen or tire damage) together with all tools, tires, accessories and equipment to the location specified on the Rental Agreement and on the date there specified (or sooner, if demanded by Travellers Autobarn).

2.2 Any existing Vehicle damage will be marked on the Condition Report completed at the time you hire the Vehicle.

2.3 Vehicle pick-ups are available anytime **between 10:00 am and 4:00 pm Monday to Saturday**.

2.4 Vehicle drop-offs must be **before 3:00 pm Monday to Saturday**.

2.5 There is no refund for late pick up or early return of Vehicle. Refer to clause 2.9 for details of a credit voucher.

2.6 No pick-ups or Drop Offs are provided on Public Holidays

2.7 Out of hours Contactless pick-ups or returns can be made via prior agreement for a fee.

2.8 All vehicles must be returned in a clean condition. Alternatively, you can elect to waive the requirement to return the vehicle in a clean condition for a ¥10,000 fee, payable anytime. This does not permit the renters to return the vehicle in a complete mess and a minimum fee of ¥20,000 will apply if the vehicle is returned in an unsatisfactory condition as determined by Travellers Autobarn in its sole discretion.

2.9 There is no monetary refund for late pick up or early return of a Vehicle. Renters are charged for the length of time booked, not the actual time used. We strongly recommend that all renters take out their own premium travel insurance in respect of the risk that a renter, for reasons of their own, may need to return a Vehicle earlier than expected. A credit voucher for the unused days may be issued. A request for an early return credit voucher must be approved by Travellers Autobarn in writing prior to returning the vehicle. The value of the credit voucher is calculated using the daily rate, (and any other applicable fees) which will be adjusted based on the new drop-off date, the adjusted daily rate may be higher than the originally booked daily rate. The credit voucher can be applied to any new reservations made directly with Travellers Autobarn by the original renter, and subject to normal Terms and Conditions.

2.10 Overdue Vehicles. A 59-minute grace period after the return times stated on the Rental Agreement applies to all rentals. Should the vehicle not be returned within the grace period a ¥25,000 fee may apply. A further ¥25,000 fee applies for each day the vehicle is overdue.

2.11 Vehicles overdue longer than 3 days will be reported to the police as stolen.

2.12 Travellers Autobarn may take possession of the Vehicle without prior demand and at your expense if it is illegally parked, used in violation of any applicable law, any term of this Agreement is breached or if the Vehicle is apparently abandoned.

3 Change of Drop off Location

3.1 Any change of return location can only be authorized by **Travellers Autobarn Central Reservations** and depends solely on future bookings and availability. The change of drop off location is not confirmed as approved until after the change of location fee has been accepted, paid, and you have received written confirmation. Please note; a casual conversation with a Travellers Autobarn staff member does not constitute authorization. If your change of location request is approved it may attract a fee up to a maximum of ¥40,000.

Please communicate all change of drop-off location requests to Travellers Autobarn by calling **Central Reservations on (mobiles and international) +81 90 6251 8576** at the earliest possible opportunity as all requests are subject to availability

3.2 Any unauthorized change/s of location drop off will see the renter responsible for the entire cost of relocating the Vehicle to its intended location plus any hire fees that are foregone by Travellers Autobarn by reason of the Vehicle being unavailable for subsequent hire at the agreed drop off location.

4 Rental Duration, Kilometers and One Way Fees

4.1 Rental days are calculated on a daily basis. For all Vehicles, day one of the rental period is the day of pick up, regardless of the time, and the day the Vehicle is returned is counted as the final day also regardless of the time.

4.2 Minimum rental periods may sometimes apply.

4.3 All rentals are subject to vehicle availability.

4.4 One-way rentals have minimum rental periods which vary according to location, seasonality and length of booking.

4.5 A one-way fee may apply; this fee may vary according to location, seasonality and length of booking

4.6 All vehicles have unlimited kms included in the price

4.7 Rates are in Japanese Yen (JPY) and inclusive of GST

5 Multiple Rentals

Consecutive rentals can be combined to qualify for a long term discount rate provided travel is within a three month period. If drop off of a Vehicle and pick up of a new Vehicle occurs on the same day then each will be charged separately per respective rental. Multiple rentals are treated as separate rentals under the one way fee and minimum rental period conditions.

6 Rental Extensions and Amendments

6.1 If you, the renter, wish to extend the rental whilst the Vehicle is on hire, you must first obtain written authorization from **Travellers Autobarn Central Reservations**. A verbal conversation about rental extensions and amendments with a Travellers Autobarn staff

branch member does not constitute authorization. Your requested extension is not authorized until it is expressly approved and confirmed in writing, and you have nominated a specific date and the extension has been paid in full. Calling a day or two before you are due to drop off and requesting an extension may result in your request being rejected owing to future bookings of your Vehicle.

6.2 Please communicate all extension requests at the earliest possible opportunity as all requests are subject to availability by calling **Central Reservations** on (mobiles and international) +81 90 6251 8576

6.3 No refunds will be given for any booking amendments to the rental dates within 7 days of collection (if the length of hire is shortened) and the rental will be charged at the number of days originally booked. A relocation fee may apply if the collection or return location is amended within 7 days of Vehicle pick up.

24.5 Subject to rights and obligations under Japanese Consumer Law, if the Vehicle is not able to be driven as a result of the defect or breakdown, Travellers Autobarn's liability is limited to refunding You the hire fees (excluding any liability option reduction amount) for the time that the Vehicle was actually in repair or providing a replacement vehicle subject to availability. 24.6 You acknowledge that if you do have an issue with your Vehicle, that when (Friday afternoons to Monday mornings & Public Holidays) and where (middle of nowhere?) you might have an issue are complicating factors that you have considered prior to choosing to rent a motor vehicle and you accept any delays caused that may arise from the lack of available parts or services and release Travellers Autobarn from any claims that may arise due to the timing or location of the issue. It is for this reason we urge all renters to be aware of what day of the week it is and be alert to any issues that may arise and have any issues looked at before the issue of timing and location becoming complicating factors.

24.7 Our responsibility to provide a rental extension or refund of hire fees is conditional on any problems associated with the Vehicle, including equipment failure, being reported to Travellers Autobarn as soon as possible and within 24hrs in order to give Travellers Autobarn the opportunity to rectify the problem.

The amount of the security bond is determined by the applicable liability reduction option (also sometimes known as a compensation payment or deductible) you have chosen. Payment of the security bond is only accepted by a signed credit card preauthorization (sufficient funds must be available). The amount of the security bond will not be debited from your account at this time

29.5 In the event of an accident the renter is responsible up to the amount of the applicable security bond for loss and damage to third party property and to the Vehicle except where any term of this Agreement has been breached and renders the renter liable in accordance with clause 28 of this Agreement and will void any liability reduction options under clause 30 of this Agreement. The renter is also responsible for a ¥20,000 administration fee and the cost of demurrage/loss of use for the period the Vehicle is unavailable due to repairs. The security bond is payable regardless of who is at fault and must be paid at the time the accident is reported to Travellers Autobarn, not at the completion of the rental period.

29.6 It is one security bond per accident/damage and not per rental, therefore once you report the accident to Travellers Autobarn, another security bond will need to be preauthorized, otherwise you cannot continue with the rental.

29.7 In the event of an accident where the Vehicle is no longer operational, it will be at the discretion of Travellers Autobarn whether any alternative Vehicle will be supplied.

29.8 In the event of an accident, where the Vehicle is no longer operational and no alternative Vehicle is available to the renter, our liability is limited to a refund of the remaining unused hire charges.

29.9 If there is damage to the Vehicle on its return, the security bond will be used to cover the cost of such damage up to the amount of the renter's liability. If the damage is a consequence of a breach of any term of this Agreement and the security bond is insufficient to cover the damage, then any extra cost will be charged to the renter.

29.10 In the event of a no-fault accident, Travellers Autobarn will make every attempt to recover costs from the Third Party and refund to the renter. The security bond will only be refunded if Travellers Autobarn recovers the cost of the damages from the Third Party. A

¥ 16,000 administration fee will be deducted from any refund.

29.11 The renter acknowledges that third party claims in relation to accidents can take many months, sometimes years to be settled and is out of the control of Travellers Autobarn.

33.2 To the extent permitted by law, Travellers Autobarn gives no express or implied warranty as to any matter whatsoever including without limitation the condition of the vehicle and equipment, its merchantability or fitness for any particular purpose.

33.3 No right of Travellers Autobarn under this Agreement may be waived except in writing by an officer of Travellers Autobarn. No waiver of a party's rights is effective unless given by that party in writing, and any waiver is only effective in the specific instance and for the purpose of the waiver and no failure on the part of a party to exercise any right under this Agreement will operate as a waiver. No single or partial exercise of any right under this Agreement will preclude any other or further exercise of that right or the exercise of any other right.

33.4 This Agreement constitutes the entire agreement of the parties and there are no other oral undertakings, oral representations,

warranties or agreement between the parties relating to the subject matter of this Agreement that have been relied upon by the renter.

33.5 The illegality, invalidity or unenforceability at any time of any provision of this Agreement will not affect the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of that provision under the law of any other jurisdiction.

34 Relocation Conditions

A 'relocation' is a necessary vehicle movement between branches to satisfy the needs of full fee-paying reservations. Travellers Autobarn will offer a 'relocation' Vehicle at a heavily discounted rate but will do so over the strictest of short periods such as to cover the transport needs of the Vehicle movement. Should you wish to travel for longer periods or desire more freedom with your Vehicle, we highly recommend you inquire about Travellers Autobarn's very competitive rental rates.

34.1 The rental of relocation Vehicles is subject to the standard Terms & Conditions of Travellers Autobarn.

34.2 Relocations must be delivered in the set days we outline and may be offered from as little as ¥100 per day.

34.3 Relocations can only be collected after 1PM on the day of pick-up. No relocations are available for Saturdays.

34.4 A security bond of ¥300,000 applies to each relocation, which will be preauthorised to your credit card at the time you hire the Vehicle – there are no further liability reduction options available to reduce the amount of your security bond for relocations.

34.5 A minimum ¥20,000 cancellation fee applies for any confirmed relocation bookings which are cancelled or if the Vehicle is not collected on the date agreed.

34.6 Any late deliveries will incur penalties of ¥50,000 per day. There is a reason for the relocation. Usually, it is being moved to fulfill a full fare paying reservation.

34.7 Any request to extend relocations will be considered subject to availability, and if approved will be charged at the standard daily rental rate from day one. Minimum rental periods may also apply.

35 Breach of contract/Termination

35.1 The renter agrees that Travellers Autobarn shall have the right to refuse any rental and/or terminate this Agreement and take immediate possession of the Vehicle without notification to the renter if:

35.1.1 The renter fails to comply with any of the material terms and conditions of this Agreement, particularly clause 11;

35.1.2 The renter has obtained the Vehicle through fraud or misrepresentation.

35.1.3 If the Vehicle is damaged; or

35.1.4 In the reasonable opinion of Travellers Autobarn and/or the Japanese Police, the driver of the Vehicle does not have sufficient skill or experience to operate the Vehicle in a safe manner or the safety of the passengers or the Vehicle is at risk.

35.2 In such an event the renter will: (a) not be entitled to any refund the rental charges whatsoever; and (b) be responsible for the payment of any towing costs to return the Vehicle to the agreed return location. You indemnify Travellers Autobarn, its employees and agents to the extent permitted by law from claims from any person resulting from entry into any third-party property to repossess the Vehicle. The termination of hire under this clause 35 shall be without prejudice to any rights of Travellers Autobarn or the renter under this Agreement or otherwise at law.
